

# Holiday Play and Leisure Activities for Children and Young People with SEND

October Half Term 2022 | Christmas 2022 | February Half Term 2023

This booklet is designed to provide parents/carers with information about play and leisure activities that are available during February half term for children and young people with SEND.

The information in this booklet is not exhaustive, and inclusion in this booklet does not mean that the Joint Service for Disabled Children endorses the activities.

It is split into three sections:

### **1. Universal Activities**

These are inclusive activities that intended to be accessible to all children and young people. You should talk directly with the provider to find out whether they can meet the needs of your child. You need to book and pay for these activities yourself. If you are in receipt of a Short Breaks Grant you can use this funding to pay for the activities.

### **2. Universal Plus Activities**

These are activities for children and young people with SEND who need some additional support. You need to book and pay for these activities yourself. If you are in receipt of a Short Breaks Grant you can use this funding to pay for the activities.

### **3. Specialist Activities**

These activities are for children and young people with SEND, who have complex needs. You may be referred to the activity and it will form part of your package of care. You can however, buy additional days directly from the provider, as can parents/carers who do not receive a care package.

Don't forget you can find this booklet and more information about activities and things to do in Enfield on the [Local Offer](#).

# Universal Activities

The following provides an overview of some Universal activities. See websites for more information. Please talk directly with the provider to find out whether they can meet the needs of your child.

<b>Number of places available</b>	Dependent on support and dates required
<b>Can new referrals be accepted</b>	No
<b>Any other relevant information</b>	Because of the rates of Covid infection all young people will be asked to have a Covid test before attending their booked session. Also, will be asked to be kept at home if they are unwell. From experience we have found that sometimes a positive test can take a while to show but the young person is still infectious. Please call me if you would like to discuss this further.
