A note from mum

- ▶ Endorphins is a very friendly environment, excellent, smiley amazing staff. The activities met my children's needs. Very welcoming. My children loved being at the Endorphins club. They were very happy. Made good relationships with everyone there. Always had an opportunity to get in touch and ask questions, very helpful and kind people. I am very glad my children had a good time, I am very grateful thank you. I really hope we will have a chance to join the Endorphins Club!

The friendly and energetic atmosphere created by the staff members through the great setting, wonderful use of resources and not to forget the surprisingly nice British weather, has created a home away from home for all the wonderful children excited to walk through the door.
