

'Keeping Safe' videoconference for parents & carers

Wednesday 15th July 2020 at 10.30 – 11.30 am

Worried about the safety of your children during Covid-19?

This videoconference session, organised by Our Voice Parent/Carer Forum, is for all parents and carers of children and young people with special needs and/or disabilities living in Enfield.

As lockdown begins to ease, and plans are put in place for children to return to school in September, many parents will be especially worried about just how safe their children will be.

To help us talk about some of these issues, we have asked members of the Enfield Public Health Team to join us for a videoconference session on Wednesday 15th July, 10.30 – 11.30 am to talk about Coronavirus, transmission, risk groups and key preventative measures. The panel will be updating you on the current situation, answering your questions and listening to your concerns.

Please **submit any questions in advance**, either using the booking form or emailing us at info@ourvoicenfield.org.uk by the end of Sunday 12th July at the latest. You will also have an opportunity to submit questions (via chat) during the event, and we will answer as many as we have time for.

The meeting will take place online via 'GoTo Meetings' – you can use a computer, tablet or smartphone, or you can phone in. The event is free but you must pre-book on Eventbrite [here](#).
