Positive Behaviour Support Webinar for parents and carers

Thursday 12th August at 1– 2.30 pm

This videoconference, organised by Our Voice Parent/Carer Forum, is for all parents and carers of children and young people (0-25) with special needs and/or disabilities living in the Borough of Enfield.

Join this session on Zoom. You must pre-book [here](#).

This videoconference will look at how parent/carers can adapt and use Positive Behaviour Support to help you manage challenging behaviours at home.

The last 18 months have been exceptionally challenging for many of us. Of course, the challenges have been especially intense for children and young people with special needs, especially those who find changes to routine difficult, and this will in turn be challenging for parents and carers. You may well have experienced an escalation in behaviour that challenges and have concerns about the impact of the summer holidays and then the return to school in the autumn.
