

Definitions to help with the EH&C Plan development

<p>What's an "Aspiration"?</p>	<p><i>A hope or ambition of achieving something</i></p>	<p>E.g. to be independent, be healthy, gain employment , go to college</p>
<p>What's an "Outcome"?</p>	<p><i>The benefit or difference made to an individual as a result of an intervention. It should be personal and not expressed from a service perspective</i></p>	<p>To be able to travel independently, on foot and by public transport, in and around Enfield, by the time I'm 19</p>
<p>Personal versus Service Outcome?</p>	<p><i>Focused on the individual and not based around professional jargon</i></p>	<p>E.g. I want to be able to talk to my friends....</p> <p>Not: To increase expressive language...</p>
<p>What's a "Need"?</p>	<p><i>The barriers preventing them from doing something a neuro typical peer of the same age could do....</i> (It's not the diagnosis or label, but the needs that arise from this)</p>	<p>Self Help: Unable to feed themselves</p> <p>Learning difficulties: Unable to retain/hold information</p>
<p>What's "Provision"?</p>	<p><i>The action of providing or supplying something... a resource</i></p>	<p>Getting support from a service, or a resource like Physio, an Ipad, or equipment</p>
<p>What's a "Target"?</p>	<p><i>A goal to be achieved in less than 12 months which helps the young person work towards their Outcomes & would sit in the School Plan not an EHCP</i></p>	<p>By the end of next term, Joe can count to 10 and understand what 1 – 10 means</p>
