

Travel Assistance videoconference for parents and carers

Thursday 30th July at 10.30 am – 12 noon

Options for home-to-school transport from September

This videoconference session, organised by Our Voice, the Parent Carer Forum for the London Borough of Enfield, is for all parents and carers of children and young people with special needs and/or disabilities whose children/young people use (or plan to use) home-to-school transport.

As we plan for children and young people to return to school or college in September, parents and carers are likely to have lots of questions about how home-to-school transport will operate safely, what the different options for transport are and how these will work. To help discuss these issues, Our Voice Parent Carer Forum will be hosting a videoconference for parents on **Thursday 30th July at 10.30 am**. We will be joined by representatives of Transport and SEN Travel Brokers.

Please **submit any questions in advance**, either using the booking form or emailing us at **info@ourvoiceenfield.org.uk** by the end of Monday 27th July at the latest. You will also be able to ask questions (via chat) during the event, and we will answer as many as we have time for.

The meeting will take place online via 'GoTo Meetings' – you can use a computer, tablet or smartphone, or you can phone in. The event is free but you **must pre-book** at <https://travelassistance.eventbrite.co.uk>

You will receive joining instructions when you book your place. If you have any difficulties booking, please contact Our Voice (details below) for help.
